Hotel Business

Category: Hotels and tourist residences
business description: The Business Hotel is strategically located 200 m from the "Casale Sud" motorway exit on the free-flowing A26 motorway, at the centre of the Milan, Turin, Genoa, Aosta business quadrilateral.
It is a comfortable stop-off point for those who want to take short breaks on their trip towards the South of Italy or Switzerland and France.
We offer breakfast service only. In summer months an open-air swimming pool is available.
Casale Monferrato is an important baroque town, full of prestigious historic buildings that are still well preserved.
The hills of Monferrato are dotted with villages, castles, big and small churches. A few kilometers from the hotel in the hilly areas, there are numerous restaurants that serve excellent local cuisine. An "extended museum" to discover travelling by car, bike or on foot along picturesque routes. Always in the vicinity of Casale you will find numerous villages or farmhouses that sell wine and local products: high quality meat, salami. Monferrato is an exceptional wine-growing area and it has become part of the itinerary "The Vineyard landscapes of Piedmont: Langhe-Roero and Monferrato", included on the UNESCO world heritage list. Staying at our hotel you will get to know and love the rolling hills of Monferrato, which change their appearance throughout the year, offering a palette of images and colors.
We hope to have sparked the desire in you to visit us.
